Dear NE Sign,

On behalf of John Henry, Tom Werner and our entire organization, I would like to thank you for your outstanding efforts and hard work to successfully complete Year IX of the on-going Fenway Park Improvements. This year's off-season activities posed a unique set of challenges, including a month-long break to accommodate numerous ice hockey events held at Fenway, most notably the NHL Winter Classic and Sunlife Frozen Fenway college hockey double header. Your ability to complete the 2010 projects on schedule and budget is a direct reflection of your dedication to the job, and you should be proud of your efforts.

Enclosed please find complimentary tickets to the game on Saturday, April 17<sup>th</sup> at 7:10 PM against the Tampa Bay Rays as a token of our appreciation for all you and your people have done this past offseason. We hope that you will distribute these tickets to members of your staff who played a key role in the recently completed 2010 ballpark improvement projects.

We are fortunate to have such passionate, skilled, and hard working members of our Red Sox/Fenway Park team.

With respect and gratitude,

Larry Lucchino
